

LA ROCCIA
*****WELLNESS HOTEL

DOLOMITE ESSENCE, HOSPITALITY REDEFINED

VINEYARD APERITIVO AT MASO BATTISTON 1888

THE TASTE OF SUNSET

As the evening light settles over the vineyard and the mountains fall into their quiet rhythm, **Maso Battiston 1888** opens its gates for an experience that reveals the most authentic soul of La Roccia Wellness Hotel.

Here, among the family vines overlooking Val di Fiemme, time gently slows. A signature tasting celebrates our **Solaris Battiston 11** in three distinctive expressions, alongside **Undes Gin**, accompanied by a thoughtfully curated selection of local delicacies and gourmet bites created by our Chef. A carefully curated soundtrack accompanies the changing light, creating an atmosphere where every detail invites you to linger a little longer.

Because some sunsets are simply admired. Others are truly experienced.
